- Archaeological services include but not necessarily restricted to archaeological monitoring, evaluation, surveys, documentation, excavations, post-excavation.
- All of the above cultural heritage services are regulated by the Cultural Heritage Act of 2002 (CAP445) and require written permission by the Superintendence of Cultural Heritage.
- Data captured and cultural heritage material recovered in the course of the above listed services is the property of the Superintendence.
- Persons undertaking the above services must be approved by and will work under the direction of the Superintendence and will communicate directly with the same.
- Persons undertaking any of the above services are to ensure that no conflict of interest may arise from their engagement or from their execution.
- The Superintendence may revise these lists as necessary and may remove or include listed persons.
- Any queries related to these lists should be directed to the Superintendence of Cultural Heritage at tel. no 2395 0000 or by e-mail on monitoring.sch@gov.mt.
