| Outline Description | An 18 Century Chapel |
| Property Description | Originally it was built in 1500 and served as parish church until 1616 (Meanwhile being dedicated temporarily to the Assumption). The present structure dates from 1729 and for a while it was used to house church furnishings. It was restored in 2006 and after that used for religious and cultural purposes. The coat of arms of Bishop Alperan de Bussan is clearly visible on the church door. Another interesting feature is a sun dial on the left plinth |
