<b>Outline Description</b>	Niche of Christ the King
<b>Property Description</b>	Niche and statue of Christ the King holding the orb of divine kingship in his left hand with a raised right hand as if blessing the faithful. The statue has a metal halo imitating the sun's rays. The niche has a shell motif and Doric pilasters which support a flat cornice. This is topped by a cross on a pedestal. The moulded sill has simple cantilevers and a cartouche with an inscription below it. The inscription reminds of an indulgence but the date and conveyor are illegible. Below the plaque are two holes which used to hold a lamp hook.
